Dear Judge Fox:

This letter is respectfully submitted on behalf of my client Richard Mohammed, to request an adjournment of the violation of probation hearing, currently scheduled for August 26, 2008. The violation contains one specification related to a state court case that is still pending. I am advised that the state court case has been adjourned to November 5, 2008, and that it will be resolved on that date. If that case is dismissed, it is likely that the Government will withdraw the single specification against Mr. Mohammed. Absent that allegation, Mr. Mohammed is in full compliance with the conditions of his probation. He continues to report regularly and has maintained steady employment. We seek an adjournment of his hearing until any date after November 5, 2008. I have spoken with Todd Blanche on behalf of the Government and he consents to this application.

Thank you for your consideration of this request.

Application granted. The  
hearing will be held on November  
10, 2008, at 5:30 p.m. in Courtroom 5A.
